

Baby Moo

(M/T Misa Ruzickova, translator Eliska Ruzickova)

Mummy moo and daddy moo
And their tiny baby moo
Morning until nightfall just yummy yum and moo
Morning until nightfall, they do nothing else at all,
Mummy moo and daddy moo
And their baby moo

Mummy oink and daddy oink
And their tiny baby oink
Morning until nightfall just yummy yum and oink
Morning until nightfall, it does nothing at all,
Mummy oink and daddy oink
And their baby oink

Mummy baa and daddy baa
And their tiny baby baa
Morning until nightfall just yummy yum and baa
Morning until nightfall, it does nothing at all,
Mummy baa and daddy baa
And their baby baa

Mummy quack and daddy quack
And their tiny baby quack
Morning until nightfall just yummy yum and quack
Morning until nightfall, it does nothing at all,
Mummy quack and daddy quack
And their baby quack
